

Priority	Road Name	Primary Fire Escape	Secondary Fire Escape	Need Widened	Visible muddy, or ruts	Never Graveled	Never Finished	Wash board Heavy use	Visible water damage	Cabins	Trailers	Rarely traveled or Condition looks good this year	Culvert Needed	Current Condition
37	Quaking Hollow - North Fork bottom > North Fork Top		15		8			5	9					Very bad condition, could be disasterous in the rain - should be first Priority to fix - this road was started but was not finished which is why is it is in such a disasterous condition.. Must be finished.
34	Silver Creek - Water Tree > Lodge	20		0				5	9					Need Gravel - first needs rocks taken out and shaped
34	Lodge - (Lake Fork > Wolf Hollow)	20						5	9					Heavly traveled, needs heavier road base to hold up, 2021 Needs graded and road base from Wolf Hollow to Tennis Court
34	Lodge - (Wolf Hollow > Tennis Court)	20		0				5	9					Heavly traveled, needs heavier road base to hold up, 2021 Needs graded and road base from Wolf Hollow to Tennis Court, the East end needs to be widened and a new culvert at the corner before the swimming pool
30	Elk Springs (South)				8			5	9	1	14			Visible Muddy Ruts on South End (beginning of South end)
29	Edgewood North				8				9	7	10			Not much roadbase anymore, and some sink holes, not bad - for the most part the road is OK
29	Quaking Hollow - North Fork Top > South Fork (Pritchett Flat)		15					5	9					Road does not have much roadbase and has places of visible water damage.. But for the most part could wait it is not too bad yet.
28.5	Silver Creek - Lodge > Lake Fork	20		0				5		3	1			Condition looks good - However, due to high traffic in muddy months, needs roadbase before winter
26	Badger Creek West of Edgewood			0	8	7			9		4			Road has no gravel and many rocks - steep road needs to be shapped and 2" base
26	Shadow Way				8	7				5	12			Circle has tree that needs cut down first, then the hill has been damaged by mud, needs fixed then graveled, would like bid to Edgewood
25	North Fork - Open Gate > Water Tree	20						5						Washboarding on hills - Work can only be done in rain or with water truck
25	North Fork - Water Tree > Quaking Hollow	20		0				5						Washboarding on hills, Needs widening above water tree
25	Lake Fork - (South Entrance > North Gate)	20						5						Road base is mostly gone heavy use in spring and Fall along with plowing snow, takes a toll on this road - Suggest 2" for the entire length of this road
25	Silver Creek Drive (Lake Fork > Park Drive)	20						5						Condition for the most part looks good - several spots need roadbase - not urgent
21.5	Badger Creek East of Edgewood				8				9	1	7			Big hill at the beginning of the road needs 2" - needs a little roadbase in the middle of the road and at the end circle

21.5	Elk Springs (North)				8				9	9		Y	Visible Muddy Ruts on very end North hill (where it meets Silver Creek) - One load 2"
20.5	Briar Drive								9	4	15		Over all the condition is okay, no visible ruts from mud.. We need to remove some rocks from the North end (where Grouse Flats starts) and fix drainage then gravel North end and some sections.
15.5	Big Bend Upper								9	1	11		Needs some rocks removed and bar ditch, then graveled
13	Canyon Creek Drive									2	22		This road just had some work in the first part of this year and is looking OK
10	Bear Brush Drive				8						4		Road mostly OK, a litte visible muddy ruts at the beginning hill off Silver Creek
7	Edgewood South							5			4		Someone has pushed out some rocks into the road - working on finding out who - Road needs to to have rocks removed and reshaped and then roadbased
7	Pleasant View Circle									2	10		Circle needs gravel - some muddy appearance - the rest of the road appears OK for 2021
7	Hidden Hollow							5		2			For the most part the road is OK, Needs work before roadbase
7	Grouse Flats Road									2	10		For the most part condition is OK, a couple of spots could use some gravel
7	Sego Circle						6				1		Road and Circle has never been done - need survey before any work can start - no one is really on the road. . The cabin appears to be falling down
5.5	Rose Circle					7	6				5	10	Circle has never been cut out - There is a steep hill going into the circle which has never been graveled - New lot cut in will have problems for new owners - should only take a couple of loads of gravel
5.5	Canyon Creek Circle										1	9	The Road seems to be in pretty good condition - the clircle has never been graveled - new owners around - No visible ruts, no big hill, circle in pretty good shape
5	Big Bend Lower										2	6	2 more lots are being cut in - In pretty good condition on main flat the bend could use some gravel not priority
5	Willow Glen		15									10	Good conditions, Gate looks to be good condition (has fire break gate to side)
5	Parkwood Drive		15									10	Condition looks good
5	Park Drive		15									10	Condition looks good
5	Rosewood		15									10	Condition looks good
4.5	Juniper (upper-to Edgewood)									1	7		Need to have some rocks removed before roadbase - for the most part the road is OK
3	Silver Creek Drive North of Park (black)			0		7	6					10	Never been completed - 1 Pavillion, not sure who owns -- Road has weeds growing in the middle of 4-wheel trail - could be fire hazard.
2	Juniper (lower - to Badger Creek)											4	Road has grasses growing in the middle. Some spot need a little roadbase

1.5	Badger Way										3			Work started on this road - need to finish the circle - before circle can be finished we need to remove some smaller trees
1	Wolf Hollow (North)									8	6	10		Condition looks good
0	Park Way													For the most part condition good - Entrance to the road and circle at the end could use some roadbase
-4	Meadow Circle											6	10	Never been completed, needs surveyed
-4	Willow Way											6	10	We have a new owner who just bought all lots on this road and needs to have the road put in - I need to find out how much this will cost - I cannot use all my budget on a road that has never existed.
-4	Wolf Hollow (South)									2	8	10		Condition looks good
-6.5	Silver Creek Drive South of Park (black)											7	10	Condition looks good
-7	Aspen Loop									1	4	10		Condition looks good
-7	Sage Circle									1	4	10		Condition looks good
-7.5	Woody Way										5	10		Condition looks good
-8	Laurel Wood Drive									2		10		Condition looks good
-8	Oak Drive										4	10		Condition looks good
-8.5	Short Creek Drive										3	10		Condition looks good
